Welcome Cathay Pacific Airways and Air Hongkong to SCSC Air Cargo Terminal (SGN)

Voted by Skytrax, The Annual World Airlines Awards, Cathay Pacific Airways (CX) was ranked the 3rd of Top Ten Airlines 2015 in the world. As a remarkable milestone, we are proud of releasing the press, that SCSC Terminal has been selected by Cathay Pacific Airways and Air Hongkong (LD) as their Cargo Terminal Operator (CTO) at SGN Station (LD is a subsidiary company of CX).

Currently, Cathay Pacific Airways utilizes passenger aircraft types of B 777-300ER and A 340 for routing HKG-SGN-HKG with daily frequency in total 18 flights per week, and freighter B 747- 400 for routing PEN-SGN-HKG with frequency only 1 flight per week.

And on March 1st, 2016, SCSC Air Cargo Terminal has successfully started up and operated the A/C B 777-300ER cargo handling of the first arrival flight CX 767 with ETA 10:21AM and the departure flight CX 766 with ETD 12:06PM for routing HKG-SGN-HKG of Cathay Pacific Airways with zero defect.

For the time being, Air Hongkong utilizes freighter aircraft type of A 300-600F for routing SGN-HKG with frequency in total 6 flights per week.

Also on the same day of March 1st, 2016, SCSC Air Cargo Terminal has successfully started up and operated the cargo handling of the first arrival flight LD 561 with ETA 05:21AM to Ho Chi Minh from Penang and the departure flight LD 562 with ETD 06:45AM for routing SGN-HKG of Air Hongkong with no mistake.
